KOREFIB s.r.o.

DECLARATION OF PERFORMANCE
no. DoP-FIBERMESH-4x100x100-2025-08

According to Regulation (EU) No. 305/2011

Manufacturer:
KOREFIB s.r.o.
Havířov 581/7
Havířov – Bludovice
Postal Code: 73601
Company ID: 17587921 VAT ID: CZ17587921

Unique identification code of the product-type: KOREFIB® FiberMesh 2 mm
Intended use: The composite reinforcement mesh is intended for the reinforcement of concrete structures and elements, particularly in the following applications:

- floors
- cement, anhydrite, and resin screeds
- prefabricated construction elements
- building and civil engineering structures exposed to corrosive environments
- concrete and asphalt-paved areas

The product is intended for both structural and non-structural use in accordance with ETA 25/0367.

Reference document used for assessment: EAD 260057-00-0303
System of assessment and verification of constancy of performance: AVCP 2+
Notified body: TZÚS Praha, NB 1020
European Technical Assessment: ETA 25/0367 dated 19 May 2025

Essential characteristics of the product:

Characteristic	Value
Tensile strength (warp)	130.0 kN/m
Tensile strength (weft)	143.0 kN/m
Elongation at break (warp)	4.8 %
Elongation at break (weft)	7.1 %
Specific weight	456 g/m²
Average mesh size	99,7 × 125 mm
Inorganic content	78,7 %

Declaration:
The above-mentioned characteristics comply with the requirements set out in ETA 25/0367. The product conforms to Regulation (EU) No. 305/2011.
